@KeyakiOfficial: That really helped me a lot!! Thanks :D

@becknaction: Thankyou so much!

@srekel: Hey, uh, the API key at 1:16 is quite readable or at least reversible, hope you've restricted it or removed it since.. :)

@Joker-Leto: ok Api is added and then what.. how does it work .. duhhhhh!!! ... forgive my stupidity i am new to this ... please explain

@DeviJade: Thank you for this I only had to watch it at least 20 times to figure it out. It's not, you it's me lol. Needless to say as I kept going through it over and over I did it which is fantastic when you're a person like me that knows just about nothing when it comes to this sort of stuff.?

@prenom7796: hi ther thanks for the tutorial, would want ton know is there a way to have unlimited calls to the API?

Negative Comments:

@joelivengood4895: I got the following again, Not able to connect to YouTube through Google

Something went wrong. Please try again later,

When through all those steps and this happened.
